

## REFERENCE CUSTOMERS

**Ariel Szewczuk, Marine Pilot, Argentina**

*"I have to tell you that the new device (GyroPilot) is awesome, a huge improvement from my previous device. It exceeds all my expectations about functionality, build materials and portability characteristics."*

**Brian Tod, Harbour Master/Pilot, Wyndham Port, Australia**

*"It is a wonderful piece of kit and I am most impressed at its ease of use and delighted to have heading and ROT after 20 years of missing it when piloting. Very impressed and pleased with this purchase."*

**Bunbury Port, Australia**

**Daniel Jordan, Columbia River Bar Pilots, United States of America**

**Frederico Neuss, Coop de Trab CPI Pilots Ltd, Argentina**

**Ian Brokenshire, Marine Pilot, Darwin Port Corp, Australia**

*"What makes the GyroPilot with an iPad so fantastic is the sustainability of use. That is, with their very compact, light and quick setup, GyroPilot makes regular, everyday usage a reality ... And with reduced setup time, there is less risk of losing situational awareness."*

**Kirit Barot, Marine Pilot, NorthTugz, New Zealand**

*"The GyroPilot has been outstanding, can't do without it! Sometimes wonder why we did not have it many years ago? Can I also say, great value for money and in perfect synergy with SEAiQ"*

**Medway Pilots, United Kingdom**

**Midwest Post Authority, Geraldton, Australia**

**Mike O'Brien, Mississippi River Pilots, United States of America**

*"I've found GyroPilot's ROT to be spot on and battery life to be excellent. Another pilot in our association has ordered one based on my relating my experience with GyroPilot. Also, I can't say enough good things about the after sales support I have received."*

**Nguyen Hai Anh, Harbour Pilot, PilotCo VIII, Vietnam**

*"I am in love with GyroPilot... This is my first time using a PPU in combination with SEAiQ Pilot VPP running on iOS iPad. It does a good job of helping me maintain better situational awareness. Our pilotage district is quite open sea and it is adequate to our needs."*

**Port Philips Sea Pilots, Australia**

**Tobias Akesson, Marine Pilot, Darwin Port Corp, Australia**

**Vitor De Castro, Rio de Janerio Pilots, Brazil**
